7.04. **Non-Payment by One Contributor.** Non-payment by anyone required to make Contributions to the Trust Fund shall not relieve any other person of his, her or its obligations to make Contributions.

7.05. **Collection of Contributions.** The Board shall use all reasonable means to collect and receive all Contributions due to the Trust Fund, and shall, promptly after receipt, deposit such Contributions in an account established in the name of the Public Education Benefits Trust Fund at a reputable bank, trust company, or other financial institution.

7.06. **Participating Employer Contributions Held in Trust.** Contributions payable by a Participating Employer are deemed to be held in trust by the Participating Employer for the Board until remitted to the Trust Fund. For the purposes of enabling the Trustees to recover unpaid Contributions, but subject to the School Act, Contributions

payable to the Trust Fund shall be deemed to be payments of wages due to Members which have been irrevocably assigned by the Members to the Board.

7.07. **Member Contributions Held in Trust.** Contributions by a Member that are, or ought to be, deducted and withheld by a Participating Employer are deemed to be held in trust by the Participating Employer for the Board until remitted to the Trust Fund.

7.08. **Audits.** Upon written demand by the Board, each Participating Employer shall permit a chartered accountant acting on behalf of the Trustees, or in accordance with their instructions, to:

- (a) enter upon that Participating Employer's premises at any reasonable time or times, upon giving five days' written notice, for the purpose of carrying out an inspection, audit or examination of all books of account, documents, payrolls, records, or any other material which may be relevant to the said inspection, audit or examination; and
- (b) make inquiries of a Participating Employer or any persons employed or otherwise engaged by a Participating Employer, which persons shall produce all books of account, documents, payrolls, records, or any other material which may be relevant to the said inspection, audit or examination,

in order to ensure that the Participating Employer has been complying with this Agreement and its obligations to make Contributions to the Trust Fund. The Board shall keep in confidence, and shall direct the chartered accountant not to reveal, any of the information or documents obtained herein, unless such inspection, audit or examination reveals that a Participating Employer has failed to carry out its obligations under this Agreement.

7.09. **Participating Employer Failure to Comply.** If a Participating Employer fails to carry out its obligations under this Agreement, the Participating Employer shall forthwith, upon written demand from the Board, do any one or more of the following:

- (a) pay into the Trust Fund all sums which may have been determined by the said inspection, audit or examination or otherwise, to be due and owing to the Board by the Participating Employer, as well as interest at such rate as may be determined by the Board, from time to time, from the date that such sums are due until the date such sums have been remitted to the Trust Fund;
- (b) complete and remit any information forms or other related and supporting documents which may be required of the Participating Employer; and
- (c) pay to the Board all reasonable costs, expenses, or losses incurred by the Board in connection with or arising out of any inspection, audit or examination or other proceedings or steps taken in respect to any such failure by the Participating Employer to carry out its obligations under this Agreement.

7.10. **Grace Period.** The Board is authorized to establish a reasonable and lawful grace period by which Contributions from Participating Employers and Members must be received by the Board.

7.11. **Collection Costs.** If a Participating Employer becomes delinquent in its Contributions and the Board places the account with legal counsel for collection, the Participating Employer shall be liable for reasonable counsel fees and for all reasonable costs incurred in the collection process, including court fees.

7.12. **Structure of the Trust Fund.** The Trust Fund shall be held by the Board as one indivisible fund and all assets shall be co-mingled together and invested in a uniform manner. The Board shall, however, maintain separate accounting for each particular Benefit, including the Core LTD Benefits, provided through the Trust Fund so that the actuarial experience of each benefit can be monitored, and any actuarial surpluses or deficits which arise in the Trust Fund can be attributed to a particular Benefit. In particular, any actuarial surplus or deficit attributable to the Core LTD Program shall be accounted for separately from any such surplus or deficit attributable to the Other Benefits provided under the Plan. If it deems it appropriate, the Board may also maintain separate accounting so as to be able to attribute any actuarial surpluses or deficits to a particular employer or any group of Members.

7.13. **Actuarial Surpluses and Deficits.** The Board shall cause the Actuary to prepare and provide to the Board and the Settlers an annual accounting which indicates whether there are any actuarial surpluses or deficits in the Trust Fund and identifies to which Benefit, which employer, and which of any group of Members identified by the Board under Subsection 7.12 such surpluses or deficits are attributable. Such annual accounting shall also identify the savings described in Subsection 7.01, and the impact such savings have on the actuarial status of each Benefit. The actuarial surpluses or deficits shall be dealt with in the Board's absolute and unfettered discretion, subject to the following:

- (a) If the Actuary identifies an actuarial surplus attributable to the Core LTD Program, the Board may, with the Actuary's advice, increase Core LTD Benefits in a manner which is expected to reduce such surplus to an acceptable level, or use the portion of such surplus which is attributable to investment income to reduce or eliminate implementation costs attributable to the Other Benefits. In no event shall any such surplus be used for any other purpose other than those specified in this subsection 7.13(a).
- (b) Subject to subsection 7.13(c), if the Actuary identifies an actuarial deficit attributable to the Core LTD Program, the Board shall, with the Actuary's advice, decrease the level of Core LTD Benefits in an amount actuarially determined to be necessary to eliminate such deficit.
- (c) If the Actuary identifies an actuarial surplus attributable to the Other Benefits, the Board may use such surplus as the Board in its absolute discretion deems appropriate for any or all of the following purposes:

- (i) improve the Other Benefits provided to all or certain of the Members, so long as doing so is not inconsistent with any applicable Collective Agreement(s);
 - (ii) decrease the Contributions payable by all or certain of the contributors in respect of the Other Benefits; or
 - (iii) reallocate such surplus in whole or in part to be attributable to the Core LTD Program in which case the annual accounting of actuarial surpluses or deficits shall reflect such attribution; provided that the Board's power to utilize surplus under subsection 7.13 (c) iii may be exercised to prioritize the funded status of the Core LTD Program over that of the Other Benefits..
- (d) If the Actuary identifies an actuarial deficit attributable to the Other Benefits remaining after the application of any surplus pursuant to subsection 7.13 (a) which the Board in its discretion has applied to reduce such deficit, the Board shall, on the Actuary's advice, increase the level of Contributions in an amount actuarially determined to be necessary to eliminate such deficit during the ensuing fiscal year.
- (e) In conducting the annual accounting and determination of the actuarial surpluses and deficits that are attributable to the various Benefits, the Board shall ensure that any expenses they incur are appropriately allocated amongst the Benefits, and ensure that any expenses which can clearly be identified as having been incurred exclusively in connection with a particular Benefit shall be allocated to that Benefit in the annual accounting. For greater certainty, expenses incurred in respect of the Core LTD Program and general expenses, which cannot clearly be identified as having been incurred exclusively in connection with Other Benefits, shall be charged to the Core LTD Program and any investment income arising thereon. Subject to subsections 7.13 (a) and 7.13 (d), pending the annual accounting and determination of the actuarial surpluses and deficits that are attributable to the various Benefits, all Plan expenses may be paid from the Trust Fund as and when they become due and owing regardless of whether or not the expense relates to a Benefit in a deficit position.

7.14. **No Direct or Indirect Responsibility for Core LTD Program.** In determining the level of Contributions payable by the Participating Employers and the Members for the Other Benefits the Board shall only have regard to the costs and related expenses associated with providing the Other Benefits and in no event shall the Contributions be utilized for the Core LTD Program, the Early Return To Work Program, or expenses incurred exclusively in connection with either such Program.

SECTION 8 TRUSTEES

8.01. **Trustees.** The Board shall consist of twelve Trustees appointed as follows:

- (i) six Trustees appointed by CUPE; and
- (ii) six Trustees appointed by BCPSEA.

8.02. **Duration of Term for Trustees.** The terms for Trustees shall be three years.

8.03. **Acceptance of Trust.** Each Trustee shall sign an "Acceptance of Trust" in the form set out in Schedule D attached to this Agreement and after signing such Acceptance of Trust, such Trustee shall be deemed to accept the trusts created and established by this Agreement and to consent to act as a Trustee. A Trustee shall, subject to such person's death, resignation, incapacity or removal, serve for his or her initial term or any subsequent term, as the case may be, or until his or her successor is appointed, whichever is later.

8.04. **Residency.** Each Trustee must be a permanent resident of Canada.

8.05. **Appointment of Trustees on Expiration of Term.** No later than six months prior to the expiry date of a Trustee's term, the Board shall give written notice to the party who appointed the Trustee (BCPSEA or CUPE), and such party shall renew the appointment of the Trustee or appoint a successor Trustee. A Trustee may be reappointed for an unlimited number of terms. If a successor Trustee is not appointed within 120 days after the commencement of the next three year term, the Trustees then in office shall meet (a majority of the Trustees in office on the date such meeting is held constituting a quorum, notwithstanding anything in this Agreement to the contrary) and appoint a successor to fill the vacant position. Such successor, when appointed, shall have the same power, authority and right to hold office as if that person had been appointed by the party who failed to appoint such successor Trustee, except that such person shall not be removed by that party unless such removal is first agreed to by the other Trustees.

8.06. **Resignation, Removal, Incapacity or Death of Trustees.**

- (a) **Resignation.** A Trustee may resign by giving notice in writing to the remaining Trustees and to the party that appointed him or her. Such notice shall state the date on which such resignation shall take effect and shall be effective as of the later of that date and the date of delivery of such notice. Such Trustee shall be fully discharged from all duties, responsibilities and liabilities in respect of this Agreement as of the later of the date specified in the notice and the date of delivery of the notice.
- (b) **Removal.** A Trustee may be removed at any time by the party that appointed him or her upon written notice by that party to the Trustee to be removed and to the remaining Trustees. Such removed Trustee and his or her heirs, executors, administrators and assigns shall be fully discharged from all duties, responsibilities and liabilities in respect of this Agreement as of the later of any date specified in the notice and the date of delivery of the notice.

- (c) **Incapacity.** If a Trustee is incapable of acting as a Trustee, the appointment of the Trustee may be terminated by notice in writing from the Trustee, or his or her personal representatives, to the party that appointed him or her and to the remaining Trustees. Such Trustee or personal representative shall be fully discharged from all duties, responsibilities and liabilities in respect of this Agreement as of the later of any date specified in the notice and the date of delivery of the notice.
- (d) **Death.** In the event of the death of a Trustee, his or her heirs, administrators, executors and assigns shall be fully discharged from all duties, responsibilities and liabilities in respect of this Agreement arising after the date of death, provided that the Trustee, his or her estate and his or her legal representative shall not be discharged from, and shall remain liable for, any of the Trustees liabilities arising hereunder prior to the effective date of his or her death.
- (e) **Remaining Trustees.** In the event of the death, resignation, incapacity or removal of any one or more of the Trustees, the remaining Trustees shall have jointly all the powers, rights, estates and interests of the Trustees as provided hereunder and shall be charged with all duties of the Trustees hereunder.
- (f) **Status of Trustee after Resignation, Removal, Incapacitation or Expiration of Term.** Any Trustee, upon the expiry of his or her term, or upon his or her resignation, removal, incapacity or death, and the personal representatives of any incapacitated or deceased Trustee, shall forthwith turn over to his or her successor Trustee, or if no successor is immediately appointed, to the other Trustees, any and all records, books, documents, monies, shares, securities and other property and assets in the possession of the Trustee forming part of the Trust Fund or incidental to his or her duties as a Trustee under this Agreement or relating to the administration of the Trust Fund. If a Trustee resigns, is removed, becomes incapacitated, or the Trustee's term expires, he or she shall be fully discharged from all future duties and responsibilities in respect of this Agreement as of the date of such resignation, removal or the expiration of his or her term, as the case may be. However, a Trustee who resigns, is removed, becomes incapacitated or whose term expires shall not be discharged from, and shall remain liable for, any of the Trustee's liabilities arising hereunder prior to the effective date of his or her resignation, removal, incapacitation or the expiration of his or her term, as the case may be.
- (g) **Appointment of Replacement Trustees.** If a Trustee dies, resigns, becomes incapacitated or is removed from office as provided herein, the party who appointed such Trustee shall immediately appoint a successor Trustee and give the other Trustees notice of such appointment. If that party fails to appoint a successor Trustee within 30 days of the Trustee's death, resignation, incapacity or removal from office, the remaining Trustees shall give written notice to the party who appointed such Trustee. The party who appointed such Trustee shall have a further 60 days from the date upon which such notification is received to appoint a successor Trustee, failing which the remaining Trustees shall meet (a majority of

the Trustees in office on the date such meeting is held constituting a quorum, notwithstanding anything in this Agreement to the contrary) and appoint a successor Trustee. Any individual appointed to serve as a successor Trustee shall, upon an Acceptance of Trust being filed with the Board, immediately become vested with all the powers, rights, estates and interests of the other Trustees under this Agreement with the like effect as if he or she had been originally named as Trustee.

8.07. **Defect in Appointment, etc.** Despite that it is subsequently discovered or determined that there exists some defect in the appointment, removal or qualification of any Trustee, all acts and proceedings of the Trustees done and carried on in good faith while any such defect existed shall be valid and effective.

8.08. **Expenses and Remuneration.** The Board may pay from the Trust Fund:

- (a) to a Trustee, an allowance for reasonable travel and other expenses necessarily incurred by the Trustee in the performance of his or her duties under this Agreement. For greater certainty, such expenses may include reasonable expenses of attendance at any educational conference by a Trustee to assist such Trustee in carrying out his or her duties under this Agreement;
- (b) to a Trustee, if the Trustee is not receiving wages or salary from any other source for acting as a Trustee, remuneration that has been set by the Board; and
- (c) to an organization specified by a Trustee, remuneration for the services of the Trustee at the rate set by the Board under Paragraph (b).

8.09. **Chair and Vice-Chair.** The Trustees shall elect a Chair and a Vice-Chair from among themselves, who shall serve for a two year term. The Chair shall alternate between the Member Trustees and the Employer Trustees. If the Chair is a Member Trustee, the Vice-Chair shall be an Employer Trustee, and vice versa.

8.10. **Execution of Documents and Cheques.** All documents to be executed by the Board and all cheques payable out of the Trust Fund shall be signed by at least one Employer Trustee and one Member Trustee or by such other persons as the Trustees may by resolution appoint, but nothing contained herein shall be construed so as to regard any Trustee as an agent of CUPE, BCPSEA, a Participating Trade Union, or any Participating Employer.

8.11. **Meetings.** The Trustees shall hold at least four meetings each year. The Chair shall be responsible for setting the date and location of each such meeting.

8.12. **Annual Meeting.** The Chair may designate one of the meetings held each year pursuant to Subsection 8.11 as the annual meeting of the Board. If the Chair so designates, such annual meeting must be held within six months of the end of the fiscal year for which such annual meeting is held. At each such annual meeting, the following shall take place, as determined by the Board:

- (a) a financial statement from the Plan's auditors shall be presented covering the immediately preceding fiscal year of the Plan;
- (b) the annual accounting of the surpluses and deficits in the Trust Fund referred to in Subsection 7.13 shall be presented to the Trustees and the Settlers;
- (c) the Settlers shall be invited to and may attend such meeting;
- (d) the Board shall prepare and present to the Settlers a report on the operation of the Plan in the immediately preceding fiscal year; and
- (e) the Plan's auditors shall be appointed or their appointment confirmed.

8.13. **Other Meetings.** The Chair may call, or any two or more Trustees may request the Chair to call, a meeting of the Trustees. If requested to call a meeting, the Chair shall call a meeting no later than 14 days following receipt of the request.

8.14. **Notice of Meeting.** The Chair, or any other person delegated to do so by the Chair, shall cause written notice of each meeting of the Board to be served upon the Trustees no less than three days prior to the date of such meeting. The notice of a meeting shall specify the date, time and location of the meeting, and shall include an agenda of matters to be addressed at such meeting. The agenda for each meeting shall be distributed with the notice of meeting. Whenever possible, any reports or other documentation to be considered at such meeting shall be provided to the Trustees with the notice of meeting.

8.15. **Waiver of Notice.** Despite Subsection 8.14, a Trustee may waive notice of a meeting of the Board in writing. A Trustee shall be deemed to have waived notice of a meeting of the Board by attending at such meeting without objection.

8.16. **Meetings by Conference Call.** Any meeting of the Trustees may be held, or a Trustee may participate in a meeting of the Board, by means of a conference telephone call or such other communication facilities as permit all persons participating to speak to and hear one another and a Trustee participating in such meeting in such manner is deemed to be present at the meeting and will be counted in determining whether a quorum is present.

8.17. **Consent in Writing.** If all the Trustees then in office could form a quorum if they met in person, any decision of the Board is effective without a meeting of the Trustees if evidenced by instrument in writing signed by all the Trustees then in office, which instrument may be signed in counterparts.

8.18. **Minutes of Meetings.** The Board shall appoint a secretary who need not be a Trustee who shall keep minutes or records of all meetings, proceedings and acts of the Trustees. Such minutes need not be verbatim.

8.19. **Quorum.**

- (a) Subject to Subsection 12.02, a quorum shall consist of seven Trustees of whom a minimum of three must be Employer Trustees and a minimum of three must be Member Trustees.
- (b) If a quorum is not present within one-half hour of the time specified for a meeting of the Board, the Trustees present may adjourn the meeting to a fixed time and place but may not transact any other business. If during the course of a meeting a quorum is lost, no further business shall be transacted at that meeting by the remaining Trustees other than adjourning the meeting to a fixed time and place.
- (c) Despite anything herein contained to the contrary, if a meeting of the Board is convened after a Trustee has died, resigned, become incapacitated or has been removed, or the Trustee's term has expired without being reappointed, and prior to a successor Trustee being appointed for such Trustee, such meeting shall be validly constituted as long as the requisite quorum exists.

8.20. **Decisions.** Each Trustee appointed in accordance with this Agreement shall have one vote at any duly called and constituted meeting of the Board. The decisions of the Board shall be determined by a majority vote of the Trustees present at a duly called and constituted meeting of the Board, provided that for a decision to be made by the Board three votes in favour of the decision must be cast by Member Trustees and three votes in favour of the decision must be cast by Employer Trustees. The Chair at any meeting of Trustees shall not be entitled to a second or casting vote.

8.21. **Trustees' Deadlock.** A deadlock, as defined below, will be resolved in accordance with this Subsection.

- (a) **Deadlock.** A deadlock shall be deemed to exist wherever:
 - (i) a proposal, motion or resolution made by a Trustee and seconded by another Trustee is supported and opposed by equal numbers of Trustees; or
 - (ii) a proposal, motion, or resolution is unable to be made by the Trustees at a meeting due to lack of a quorum at two consecutively called meetings.

Notwithstanding subparagraph (i) and (ii) above, a deadlock shall not be deemed to exist where such proposal, motion or resolution is a proposal, motion or resolution to amend this Agreement.

- (b) **Trustee Meeting.** In the event of a deadlock, a meeting of the Trustees shall be held at least 10 days after the deadlock has arisen for the purpose of resolving the matter in dispute. If the matter is not resolved at such meeting, any two Trustees may put forward a motion in accordance with Subsection 8.20 for the Board to designate one additional Trustee for the purpose of casting a tie-breaking vote on the matter in dispute at the next meeting of the Trustees. If within 30 days after

such deadlock no additional Trustee has been designated by the Board, and the matter in dispute has not been resolved, then any Trustee may apply to a Justice of the British Columbia Supreme Court to appoint a person to act as the additional Trustee and to cast a tie- breaking vote in accordance with the procedures set out in Paragraph (c) below.

- (c) **Tie Breaking Vote.** The additional Trustee appointed pursuant to Paragraphs (b) and (c) shall attend a meeting at which he or she shall review all relevant documentation and entertain submissions from the other Trustees with respect to the matter in dispute. The additional Trustee shall cast a tie-breaking vote on the matter in dispute and shall make his or her decision within seven days of the meeting.
- (d) **Final and Binding Decisions.** Any decision resulting from the operation of Paragraph (c) above shall be final and binding upon the Trustees, the Participating Employers, the Members and their beneficiaries, the Participating Trade Unions and the Settlers. For greater certainty, any such decision of the additional Trustee cannot have the effect of amending or contravening any Collective Agreement or this Agreement unless the matter in dispute relates to an amendment to this Agreement pursuant to Subsection 12.02.
- (e) **Discharge of Additional Trustee.** Upon casting the tie-breaking vote, the function of the additional Trustee shall be completed and such person shall cease to act as a Trustee.
- (f) **Expenses of Additional Trustee.** The reasonable expenses and fees of the additional Trustee shall be paid out of the Trust Fund.

8.22. **Procedures and Meetings.** The Board must make rules regarding the conduct of the business of the Board including, but not limited to:

SECTION 10 INDEMNIFICATION, LIMITATION OF LIABILITY AND INSURANCE

10.01. **Liability of Trustees.** The Trustees shall incur no liability, either collectively or individually, in acting in accordance with this Agreement, or upon any documents, data or information reasonably believed by them to be genuine and accurate and to have been made, executed, delivered or assembled by the proper parties.

10.02. **Liability and Indemnity.** No Trustee shall be liable for the act or omission of any other Trustee. The Trust Fund shall indemnify and save harmless the Trustees and each of them, of, from and against any loss, expense, claim, demand, action or thing of any nature whatsoever, arising out of the performance or purported performance of their duties or responsibilities hereunder except that this indemnity shall not, in any way, extend so as to protect any Trustee with respect to any matter or thing arising out of his or her own dishonesty, wilful misconduct, gross negligence or lack of good faith.

10.03. **Liability for Losses in Trust Fund.** The Trustees, individually or collectively, shall not be liable for the making, retention or sale of any investment or reinvestment made by them in accordance with this Agreement or in accordance with any other legal duties nor for any loss to or diminution of the Trust Fund, except a loss or diminution that resulted from the dishonesty, gross negligence, wilful misconduct or lack of good faith of the Trustee and no individual Trustee shall incur any liability for such loss

or diminution unless he or she is a party to such dishonesty, gross negligence, wilful misconduct or lack of good faith.

10.04. **Liability for Other Matters.** The Trustees, individually or collectively, shall not be responsible or liable for:

- (a) any matter, cause or thing arising due to the invalidity of all or any part of this Agreement or the Plan Text;
- (b) any delay occasioned by any restriction or provision in this Agreement, the Plan Text, any contract procured in the course of the administration of the Plan or Trust Fund, or by any other proper procedure in such administration; or
- (c) any Contributions required to be paid to the Trust Fund other than the Contributions a Trustee may be required or permitted to make under the Plan Text in the Trustee's capacity as a Member.

10.05. **Reliance on Advisors.** So long as the Trustees exercise reasonable care in the selection, instruction and supervision of a professional advisor, the Trustees shall incur no liability, either collectively or individually, in acting and relying upon the opinions or advice of the professional advisor.

10.06. **Further Assurances.** The Trustees shall do such things and execute and deliver such documents in order that any and all funds required to be paid out of the Trust Fund by way of indemnity as herein set forth are paid as required from time to time.

10.07. **Recourse Solely Against Trust Fund.** A Member or person claiming through a Member shall have recourse solely to the Trust Fund for any benefit or other payment under the Plan.

10.08. **Acting as a Director or Trustee of Other Body.**

- (a) The Board may pay from the Trust Fund an amount it considers appropriate in the circumstances to indemnify, fully or partly, a Trustee against costs, loss or damages incurred or awarded against him or her as a result of any act or omission done, or omitted to be done, in good faith as trustee of another trust, or as director of a body corporate, to which the Trustee was appointed by the Board as trustee or director for the purpose of representing the Board in the operation of that other trust or body corporate.
- (b) Despite Paragraph (a), where a loss suffered by the Trustee in serving as trustee of another trust, or as director of a body corporate, as described in Paragraph (a) results from liability to pay the deductible amount under an insurance policy that insured the other trust or body corporate, or its trustees and directors, against the loss except for the deductible amount, then the Board shall pay from the Trust Fund the amount necessary to indemnify the Trustee for liability to pay that part of the deductible amount that the Trustees consider was a reasonable deductible amount.

- (c) For greater certainty, a Trustee's potential right to indemnification under this Subsection 10.08 while acting as a trustee of another trust or a director of a body corporate shall not derogate from any fiduciary duties that individual has to that other trust or body corporate. When acting in that other capacity, the individual shall have sole regard to his or her fiduciary duties to that other trust or body corporate.

10.09. **Extended Meaning of Trustee, etc.** Any reference in this Agreement to the indemnification or other protection of a Trustee shall, unless the context clearly indicates otherwise, be deemed to also refer to Alternate Trustees and individuals who formerly held a Trustee or Alternate Trustee position.

10.10. **Bonding.** The Board may procure insurance or fidelity bonds for such persons as the Board considers necessary or proper. Such persons may be insured or bonded in such amounts and in such manner as the Board determines. The cost of such insurance or bonds shall be paid out of the Trust Fund.

10.11. **Fiduciary Liability and Other Insurance.** The Board may purchase and maintain such errors and omissions insurance or fiduciary liability insurance (or insurance of a similar nature or description) as it deems necessary for the Board, a Trustee or anyone else engaged in the administration or operation of the Plan or Trust Fund. The cost of all such insurance shall be paid out of the Trust Fund.

10.12. **Liability of Settlor.** No Settlor shall be responsible or liable for:

- (a) any matter, cause or thing arising due to the validity of all or any part of this Agreement or the Plan Text;
- (b) any delay occasioned by any restriction or provision in this Agreement, the Plan Text, the rules and regulations of the Trustees issued hereunder, or any contract to which the Trustees are party;
- (c) any act or omission of the Trustees, either collectively or individually;
- (d) any investment of the Trust Fund, including the making or retention of any deposit or investment of the Trust Fund, or any portion thereof, or the disposition of any such investment, or the failure to make any investment of the Trust Fund, or any portion thereof, or any loss or diminution of the Trust Fund;
- (e) any of the obligations or acts of the Trustees notwithstanding that such Trustees may be associated with a Settlor, Participating Trade Union or a Participating Employer;
- (f) any Contributions required to be paid to the Trust Fund, other than its own Contributions as may be required by the Plan Text, a Collective Agreement or a Participation Agreement;

- (g) any losses, expenses, claims, demands or actions in connection with the establishment, administration or operation of the Trust Fund; or
- (h) the provision of, or failure to provide, any Benefit.

SECTION 11 FIDUCIARY RESPONSIBILITIES

11.01. **Duty of Care.** In administering the Plan and Trust Fund, each Trustee must:

- (a) act honestly, in good faith and in the best interests of the Members and former Members and any other persons to whom a fiduciary duty is owed;
- (b) deal at arms' length from each Participating Employer;
- (c) exercise the care, diligence and skill that a person of ordinary prudence would exercise when dealing with the property of another person; and
- (d) use all relevant knowledge and skill that he or she possesses or, by reason of each individual's profession, business or calling, ought to possess.

11.02. **No Conflict of Interest.** No Trustee shall knowingly permit his or her other interests to conflict with his or her powers, duties and responsibilities in respect of the Plan and Trust Fund.

11.03. **Restrictions on use of Agents.** Where it is reasonable and prudent in the circumstances to do so, the Board may employ or appoint one or more agents to carry out any act required to be done in the administration of the Plan or in the administration and investment of the Trust Fund. If the Board employs or appoints such an agent, the Board shall personally select the agent and be satisfied of the agent's qualifications and suitability to perform the duties for which the agent is employed or appointed, and the Board shall carry out such supervision of its agents as is prudent and reasonable. Any agent so appointed or employed is not entitled to any payment from the Trust Fund other than the usual and reasonable fees and expenses for the services provided by the agent in respect of the Plan and Trust Fund.

11.04. **Restrictions on Benefits Payable to Trustees.** No Trustee is entitled to any benefit from the Plan or Trust Fund other than the Benefits provided for in the Plan Text, and any remuneration and reimbursement of expenses related to the administration of the Plan Text or the administration and investment of the Trust Fund permitted by the common law or provided for in this Agreement or the Plan Text.

SECTION 12 AMENDMENTS

12.01. **Amendment.** The Settlers may amend this Agreement in whole or in part, their mutual agreement evidenced by an instrument in writing. Any such amendment may take effect retroactively or otherwise, as the Settlers determine. No amendment shall authorize or permit any part of the corpus or income of the Trust Fund to be used for or diverted to purposes other than for the exclusive benefit of the Members or their beneficiaries or estates or cause the Public Education Benefits Trust to no longer qualify as an ELHT.

12.02. **Amendment by Trustees.** Despite Subsection 12.01, the Trustees of the Board may amend this Agreement in whole or in part, their agreement to do so evidenced by an instrument in writing, to the extent necessary to maintain any preferred tax status of the Trust Fund including without limitation qualification as an ELHT.

SECTION 13 TERMINATION OF TRUST FUND

13.01. **Termination by the Settlers.** The Settlers may terminate this Agreement, their mutual agreement evidenced by an instrument in writing delivered to the Board and written notice thereof shall indicate the date of termination. The Board shall wind up and terminate the Trust Fund within 120 days of such date of termination in the following manner in the following order:

- (a) provide for a final audit and accounting for the purpose of the termination of the Trust Fund;
- (b) make payment or provision for payment out of the Trust Fund of all expenses, claims and obligations of the Trust Fund including the expenses incidental to such termination; and
- (c) subject to Subsection 7.13, distribute the balance or surplus, if any, in the form of additional Benefits among Members in a manner permitted by the ELHT Rules.

13.02. **Notification of Termination.** Upon termination of the Trust Fund in accordance with this Section 13, the Board shall forthwith notify the Settlers, Participating Trade Unions, Participating Employers, and any other necessary parties and the Trustees shall continue as Trustees for the purpose of winding up the affairs of the Trust.

13.03. **Use of Trust Fund.** Under no circumstance shall any portion of the Trust Fund or income of the Trust Fund, either on winding up or termination of the Trust Fund, or at any other time, revert to or accrue to the benefit of any Participating Employer. However, nothing in this Subsection 13.03 (or any other provision of this Agreement) in any way precludes the Board from applying surplus assets within the Trust Fund to the reduction (in whole or in part) of Contributions otherwise payable by the Participating

Employers or the Members (or both), or in considering the amount of surplus assets within the Trust Fund when determining the rates of Contributions which the Participating Employers and Members must make.

SECTION 14 MISCELLANEOUS PROVISIONS

14.01. **No Duty to Inquire.** All persons dealing with the Trustees are released from inquiry into any decision or authority of the Trustees and from seeing to the application of any monies, securities or other property paid or delivered to the Trustees and may rely upon any document required to be executed by the Trustees which has been executed as provided herein, as having been duly authorized.

14.02. **Further Assurances.** Each Trustee shall from time to time and at any time hereafter, upon each reasonable written request to do so, make, do, execute and deliver or cause to be made, done, executed and delivered all such further acts, deeds, assurances, things and written instruments as may be necessary in the opinion of any party, for more effectively implementing and carrying out the intent of this Agreement.

14.03. **Notices.**

- (a) Any notice provided for herein to be given shall be in writing and shall be effectively given if delivered personally, by personal delivery, facsimile or prepaid registered mail addressed to the Trustees, any Settlor, Participating Trade Union, or to any Participating Employer, at their last address known.
- (b) Any notice so given shall be deemed to have been given if delivered personally or given by fax on the day of delivery or if given by prepaid registered mail five business days following the date of mailing of such notice.

14.04. **Illegality.** If any provision of this Agreement, the Plan Text or the rules and regulations made pursuant hereto, or any steps in the administration of the Trust Fund, are held to be illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining portions of this Agreement, the Plan Text, or the said rules and regulations, unless such illegality or invalidity prevents accomplishment of the objectives and purposes of this Agreement, the Plan Text or the health and welfare provisions of any Collective Agreement.

14.05. **Fiscal Year.** The fiscal year of the Trust Fund shall end on the 31st day of December, in each year.

14.06. **Situs and Governing Law.** The Province of British Columbia shall be deemed to be the situs of the Trust Fund and all questions pertaining to the validity, construction and administration of this Agreement, the Plan Text, the Plan or the Trust Fund shall be determined in accordance with the laws of the Province of British Columbia.

14.07. **Preamble and Schedules.** The parties hereby confirm and ratify the matters contained and referred to in the Preamble to this Agreement and agree that the Preamble and the various Schedules hereto are expressly incorporated into and form part of this Agreement.

14.08. **Survival of Provisions.** The provisions of this Agreement which, by their context are meant to survive the termination of this Agreement, shall so survive the termination of this Agreement.

IN WITNESS WHEREOF the parties hereto, in consideration of the mutual premises and undertakings herein set forth, and intending to be legally bound hereby, have caused this Agreement to be executed as of the date and year first above written.
